

# Year 4 - Summer 2

## English

In English, we will end the year by looking at the texts: The Grimms Fairy Tales, The dictionary of difficult words and The Works Poetry.

## P.E

In rounders, the focus will be to develop our batting and fielding skills. In tennis, will be developing racket control and introducing the forehand and backhand shot.

## Music

We will be learning all about samba drumming. We will be listening to each other, remembering the rhythm patterns and playing as a team

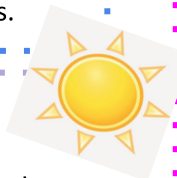

## RE

We will be asking the question - How and why do people try to make the world a better place? We will be consolidating our previous learning about individual religions and non-religious views, making connections to their own experiences.

## Geography

We will be developing our understanding and concept of weather.

## Maths

We will be finishing our second unit of fractions to consolidate our learning all about fractions. Then we will move on to learning about decimals including tenths, hundredths and dividing by 10 and 100. Finally we will be learning about time, money and geometry.

$$\frac{5}{10} + \frac{3}{10}$$

## Homework

Each week the following will be set:  
My Maths Activity (online)  
Times Table Rock stars (online)  
Daily reading  
Lunchtime club is available to complete homework.

## Computing

We will be looking at e-safety and how to stay safe online.

## Science

We will be learning all about the human impact of littering on the environment and environmental destruction in another part of the world. We will also learn about the preservation of animals.

## Reading

We will continue to use Accelerated Reader (AR) which is matched to individual reading levels. We will read these books at home and school, quizzing regularly on the Chromebooks at school to move up the book levels.

## PSHE

We will be preparing for transition into Year 5. We will reflect on our achievements in Year 4 and set our own goals and challenges for Year 5.

## ART

We will learn about a technique that creates patterns on fabric called glue batik and we will consider products that this can be used for.
