

Maths We will be starting this half term by looking at Geometry: properties of shapes, position and direction. We will then move on to looking at measures: converting units and volume as well as problem solving activities..

Year 5 - Summer 2

Guided reading:

In our reading sessions, we will be reading the text 'Sky Song' by Abi Elphinstone. Children will look at reciprocal reading skills such as, retrieval questions, clarifying, predicting and inference.

English: We will start this half term reading the text 'Straw into Gold' which is a twist on traditional fairy tales. Children will then have a go themselves creating their own versions. We will end the year with some poetry, using the text 'The Sea'.

Science:

Our unit will focus around our changing world. We will discover the differences between how plants reproduce and discuss the lifecycle of a plant in more detail (building on prior knowledge).

French:

Throughout our French lessons, children will get to plan a holiday.

PE:

In both classes, we will be teaching PE on Monday and Wednesdays. Children can come in their PE kits.

Music:

The children will have a weekly music lesson with Mrs Devonport (every Wednesday).

DT: In DT, the children will be designing and creating their own stuffed toy using a blanket stitch.

Geography:

What a great topic we have to look forward to - mountains. We will discover how mountains are formed, where in the world they occur and why, and the key geographical features of a mountain.

Collins

Computing: In this unit we will develop our knowledge of 'selection' by revisiting how 'conditions' can be used in programming. We will be using Scratch to write and design a quiz and implement it as a program.

PSHE: In our PSHE lessons, we will be focusing on transitioning to Year 6. This will give children an opportunity to meet their new class teacher and discuss any worries.

RE: Our topic we will be exploring this term is, 'What kind of king was Jesus?'

Keep in touch through Seesaw. We will be sharing our learning with you at home.
