

**Maths:** This term we will continue to strengthen our understanding long division We will also focus on fractions before moving on to imperial and metric measurements.

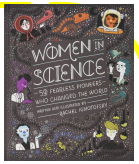

## Year 6 - Autumn 2

### Guided reading:

This half term we will be exploring the text 'Holes'. We will be discussing key vocabulary, making predictions and using inference and retrieval skills to show our understanding.

**English:** During this term, the children will be writing a biography using the book 'Women in Science' as a stimulus. We will also be creating our own narrative based on the story 'Viking Boy'.

### French:

Every Friday, the children will be learning French.

**PE:** Will be on a Monday and Tuesdays. Children will be learning how to play handball.

### Music:

The children will have a weekly music lesson with Mrs Devonport.

**DT:** In DT, the children will be designing and creating their own waistcoat using a running stitch.

**Science:** Our topic this term is called **Light Up your World**. We focus on how light travels and how shadows are formed.

**History:** This half term pupils will be learning about Ancient China, in particular the Shang Dynasty. We will use our historical skills to answer the question: How did a pile of dragon bones help to solve an Ancient Chinese mystery?

**Computing:** In this unit we will introduce the pupils to 'Big Data'. We will explore barcodes, QR codes, infrared and RFID technologies.

### PSHE:

We will be focused on exploring our own identity and economic well-being.

**RE:** This term we look at how Muslims live their lives in Britain.

Keep in touch through Seesaw. We will be sharing our learning with you at home.
